

Sol - Vet[®] U-40 and U-100 Insulin Syringes

- Sol-Millennium's Insulin Syringes are designed specifically for the Animal Health market and provide accuracy & reliability in animal injection procedures.**

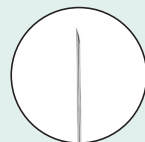

U-40

U-100

Features

- Syringes require less penetration force, resulting in greater animal comfort
- Large flange offers secure grip and easier medication dispensing
- Needles are tri-bevel, anti-coring and silicone oil lubricated for a smoother injection
- Low dead space results in over 90% less medication waste compared to the ISO standard for conventional insulin syringes
- Bold, red unit markings to indicate U-40 insulin syringe with half unit options available for accurate dosing

Sol - Vet® U-40 and U-100 Insulin Syringes
